Membership Rules 2022

New Membership Rules for 2022

Dear ALA Member:

The Court in the *Vertical Web Ventures, Inc. v. ALA* case entered a Preliminary Injunction Order (“Order”) which, among other things, allows people who rent residences in Arrowhead Woods for a period of less than 30 days (“short-term rental clients”) to access Lake Arrowhead (the “Lake”) and the reserve strips (the “strips”). In compliance with the Order, ALA will no longer enforce ALA Bylaw Article II Section C which prohibits short-term rental clients from accessing the Lake and the strips. ALA will also not prohibit Arrowhead Woods property owners, whether ALA members or not, their guests, lessees, and short-term rental clients from accessing the Lake or strips.

ALA’s 2022 membership rules are as follows:

ALA General Members can use their ALA membership/RFID card to access the Lake and strips. ALA General Members can also use any ALA registered boat/watercraft so long as the member has satisfied all ALA operator licensing requirements, has the required ALA boat/watercraft operator license in their possession, carries photo identification, such as a driver’s license, and their ALA membership/RFID card. ALA General Members cannot use ALA property for a business or commercial purpose.

Family members and non-paying guests of an ALA General Member can use the ALA member’s membership/RFID card to access the Lake and strips provided the ALA member puts the family member or guest’s name on the member’s approved guest list with ALA.
