

Darren Diess

ALA Grass Valley | Professional Nonprofit/Fundraising Advisor

It's time to VOTE and it's time for change. Our member managed, private lake is at risk and it's time to make it simple for ALL MEMBERS to get involved in ALA again. It's important that we are clear about what is at stake for the Lake Arrowhead community.

This year's election for the ALA Board will shape the future of Lake Arrowhead as we know it. All ALA members should be welcome to attend and participate in board meetings, in person or online!

Who Am I?

- Proud Lake Arrowhead property owner, Dock Captain in Meadow Bay, and the guy who loves to ski at 7:01am on our amazing lake.
- As a current Vice President of the Association of Fundraising Professionals and Active Rotary International Member for 15 years, I am knowledgeable, as to how transparency in a 501(c7) should operate.
- Husband to an elementary school teacher, and father to three adult children who all love to spend time on Lake Arrowhead.

Personal Commitments for ALA:

I will take your call, listen to your concerns and issues and promise to share your comments with my fellow board members.

- **Increase Transparency, Trust, and Communications**
 - As an active ALA member, you will be invited to attend and participate in all scheduled Board meetings either online or in person. Additionally, I will push for members to receive the same materials as the Board or Committee Members prior to the meetings.
 - ALA often forgets it's a member service organization – I want to bring the power back to the membership, instead of just the select few Board members.
- **No More Constant Rule and Bylaw Changes Without Consent of Members**
 - The Current ALA Board changed the ALA bylaws 55 times in the past few years to benefit themselves and removed dock owner protections in violation of ALA bylaws.
- **Will Not Support Commercialization of our Private Lake.**
 - Unlike the current ALA Board that voted to commercialize the lake by giving lake and property access to the public, I will not support commercialization of our private lake.

Your vote for **Darren Diess, George "Bud" Macer, Lisa Daily, Travis Winsor, David Dahl** will help reshape Lake Arrowhead for years to come. Help **US** protect the Lake Arrowhead that you know and love. Together, the new Board of Directors can help preserve this special place for generations to come.

Endorsed by: Mrs Ralph (Ianita) Wagner, Bill Johnson, Susan "Sparky" Irving, Travis Winsor, David Dahl, George "Bud" Macer, Lisa Daily and several others.
