

Anthony O'Keefe

ALA Director, At Large A

I have served on the Board in this capacity through appointment by the Board, and now seek your vote to be elected. Endorsed by ALA members: Eran Heissler, Gary Clifford, Alan Kaitz, Brian Hall, Chris Wilson, Kathi Rothner, Dan Biles. My qualifications and history with Lake Arrowhead are outlined below.

As an Architect I conducted an architectural practice in California and Arizona specializing in educational, scientific, medical and government projects throughout the southwest. Status retired. In that capacity I had extensive experience that I have brought to ALA service as a committee member and volunteer for special projects:

1. Dealing with regulatory agencies having jurisdiction over our projects, and public hearings before various constituencies.
2. Preparation of estimates and feasibility studies for new facilities and improvements to existing infrastructure.
3. Design advice and counsel to study functionality, useful life and aesthetics of facilities.
4. Business management at CEO and Chairman of the Board for a firm employing up to 320 persons in 8 cities in California and Arizona.

Lake Arrowhead Involvement:

1. My exposure to Lake Arrowhead began as a guest of my college roommate dating back to 1960, at which time we learned to waterski and enjoyed fishing and photography of the Lake.
2. 1986 I designed our home for 1204 Yosemite drive, constructed by Ron Dougherty, and became Dock captain for Dam 1 multiple dock, through 1994 at which time we sold, our house when our two kids entered college.
3. Participated in the Lake Arrowhead Water Ski Race program 1986-1994.
4. 2011 rejoined the lake community with our present house at 27407 Bison Drive and in 2012, began service on the Shoreline Improvement Committee on which I have served 8 years, 2016 served on the Fish committee. currently serve on Lake Ops Committee,
5. 2018 volunteer services: developed design renderings and color schemes for the **Ralph Wagoner Building and Lobby renovation**. developed design renderings and estimates for the **Burnt Mill Beach Club renovation**.
6. 2018 supported the community to remove the commercial air traffic from Lake Arrowhead, attending meetings and FAA presentations, submitting letters.
7. Boat owner and **Dock Captain Dam1 Membership Association 1985-1994, 2012-to present**.
8. Serve on the Board for the Lake Arrowhead country Club as Secretary, Chair of the Facilities Committee, , coordinated the Reserve Study Report and implementation, serve on the Finance Committee.

With my wife Linda, we reside in Pasadena, but enjoy four days a week at Lake Arrowhead with our four kids, and 4 grandkids, centered about our activities on the lake with our boat, fishing, and have time to give back to our community!.

I would appreciate your vote so that I might continue my advocacy for:

KEEPING THE LAKE PRIVATE!

IMPROVING ALA BUILDINGS AND FACILITIES

SUPPORTING IMPROVEMENTS IN MEMBER SERVICES

MAINTAIN STRONG FISCAL POLICIES TO KEEP FEES LOW

REPRESENT ALL ALA MEMBERS!
