### **About me:**

I was born and raised in Malibu and grew up in a yacht club environment where my dad was always taking a lead position whether it be Port Captain or Commodore. I started sailing catamarans at an early age in the ocean and gravitated towards freshwater lakes later in life. My husband, Kurt, and I have been married 35 years and we have two adult daughters and a big goofy Labradoodle dog. My husband's family has been enjoying Lake Arrowhead since the 1950's and we purchased our own little cabin with the dock below in 2009. We enjoy boating, water skiing, wakeboarding, kayaking, paddleboarding, walking the trails, going to the island, and visiting the beach clubs. I am an avid fly fisher and enjoy traveling.

I would appreciate your vote as protecting our private lake, trails, beach clubs and parks are priorities along with focusing on safety and maintaining infrastructure. Memories are made on Lake Arrowhead and I will ensure your voice is heard. With my parks and recreation background I will work with my fellow Board of Directors to protect, operate, and improve Lake Arrowhead and ALA properties.
