Hi, I'm Chris and I've been honored to represent your North District for the past year.

I'm a Captain with a local fire department and I've been in the fire service since 1991. I love my job.

I also love this mountain. I've lived here full-time since 1990. This is my home. My wife and I raised three children here, who all graduated from Rim High School.

I consider myself to be just a regular guy and I won't try to pretend I'm something I'm not. I'm proud of what I've accomplished personally and professionally and I hope to make you proud as I work for you.

This Mountain, this Lake and the people here have been good to me. I feel like it's my turn to give back.

Right now, the "private" status of our lake is being threatened. I've been working very hard over the past year to help protect that status.

I've also been working with the Lake Operations Committee toward some enhancements to the marina and the shoreline that I think the members will enjoy. I'm proud to say that I've started to see some success. But I feel like I'm just getting started.

I was always taught that when you have something nice, you take care of it.

This is OUR Lake. It's a great place and I'm here to help take care of it.
