

TRAVIS W. WINSOR

ALA DIRECTOR – AT LARGE “A”

My name is Travis W. Winsor, and I would like to become your ALA Director for the At Large A seat. I am a third-generation member of our community and met my wife, Nikki in Lake Arrowhead. We have been married for over 27 years and now enjoy watching our three children enjoy the beauty of the mountains, as we did when we were much younger. It is because of our passion to protect the character of our mountain lake community for future generations that I want to serve as the At Large A Director.

Today, we face many issues. I will focus on:

- **Protecting ALA property rights**
- **Open spaces**
- **Preventing further commercialization of our lake and facilities**

In addition, **fiscal responsibility and exposing any conflicts of interest are essential to serving the Members.** All our work must be with a view of the future and what legacy we will leave for generations to come. **It is time for change. It is time for honest and transparent governance from the ALA Board.** I will make sure the Members are treated with fairness and respect and look forward to hearing more about Members' concerns and how I can best serve the ALA Director for the At Large A position.

As your Director, I will:

- Bring back transparency and Member trust;
- End out of control legal fees;
- End constant rules and bylaws changes without Members' input;
- Enforce rules fairly and equally for all Members;
- ...and, **Keep our lake private, so we can preserve and enjoy our lake lifestyle and traditions!**

I attended USC for my undergraduate studies and earned my JD from Pepperdine University. After passing the California Bar Exam, I returned to Pepperdine for my MBA. Today, I am CEO of The Raymond Group, a commercial construction company with offices throughout California and in Las Vegas, Nevada. I am proud of the accomplishments of The Raymond Group during my time as CEO, and I promise to bring the same management and leadership skills to the position of ALA Director. Honesty, integrity, transparency and serving the interests of the Members is my commitment if elected.

I ask for your support, your confidence, and your vote this September.
